

# ETIQUETTE

## They May Run out

There may be instances of long waits and restaurants running out. Don't be a Richard. Thank them for working hard, have a beer and enjoy the sunshine, wait your turn or make a plan to come back earlier the next day.

## You Will Tip

A \$10 fresh made burger is a rarity these days. You're most likely getting a \$15-\$20 burger at a heck of a deal, so please tip at least 20% or more. The people serving you work hard to provide for the Madeira Beach community. A little extra gratuity goes a long way

## You Should Get A Drink & More Food

All Madeira Beach Burger week burgers are a la carte. Sides and beverages are extra. While it is not required that you purchase anything additional, show a little love to a restaurant for going above and beyond to bring you an awesome community event and a \$10 BURGER!

Buy some fries, a beer and treat yourself!

## Share Your Burger Week Journey

Plan your week out and share your experiences on social media. Tag us in your posts #MadBeachBurgerWeek. Don't forget to tag the restaurants you visit and leave them a good review. Make sure to turn in your passport by September 6th, 2024.
